During the past few years, the Government has been making a great deal of effort to improve the living conditions of the people in the rural areas. It has been successful in many respects, but there is still a long way to go. The Government is now planning to do more to help the people in the rural areas, and it is hoped that the people will be able to live a better life in the future.

250, 1947.—Under section 8 of the Land Acquisition Act, the Government are, in regard to housing, desirous that the

JUDICIAL NOTIFICATIONS.

NOTIFICATIONS.

Consequent on the discontinuance of enrolment of first-grade pleaders, the High Court, by virtue of the powers conferred by sections 6 and 7 of the Legal Practitioners' Act XVIII of 1879, and all other powers hereto enabling, hereby makes amendments to the consolidated and amended rules relating to the grant of pleadership certificates, dated the 13th August 1910, as last republished at pages 1493 to 1495 of Part II of the Port St. George Gazette, dated the 24th October 1927, and reissues them for general information.

1. Unless the High Court for special reasons directs otherwise, pleadership certificates, other than renewed certificates, will not be granted in future. This takes effect from 1st January 1928.

Pleadership.

2. In these rules and in the forms appended thereto the word "District" denotes the territorial jurisdiction of a District Judge.

3. The right to practise in the Court of Small Causes at Madras is confined to Advocates, Vakils and Attorneys of the High Court.

Class of pleaders.

4. Pleaders in the courts subordinate to the High Court shall be classed as—

(a) Pleaders of the first grade.

(b) Pleaders of the second grade.

5. Pleaders of the first grade shall be entitled to appear, plead, and act in all the civil and the criminal courts of the district in which their certificates entitle them to practise.

6. Pleaders of the second grade shall be entitled to appear, plead, and act in any District Munsif or Subordinate Judge's Court in the district in which they are enrolled and in the Court of any District Judge exercising the powers of a Court of Small Causes under section 25 of the Madras Civil Courts Act, 1879, in the district in which they are enrolled.

Pleaders of the second grade shall also be entitled to appear, plead and act in any Court of Criminal Jurisdiction in the district in which they are enrolled, other than the Sessions Court of the district.

For the purpose of rules 5 and 6 the word "District" may at the discretion of the High Court include the whole or a portion of the area of a district, or the jurisdiction of a single District Judge within the limits of which the pleader was authorised to practise at the time of its delimitation.

Qualification of pleaders.

7. Subject to the provisions of Rule 1, the qualification for pleaders of the first grade shall be as follows:—

(a) Any person who has obtained the Degree of Bachelor of Laws of one of the Universities of Madras, Alibabad, Bombay, Calcutta, Patna, Dacca, the Aligarh Muslim University, or the Benares Hindu University or who files a provisional certificate from the Registrar of the respective Universities to the effect that he has passed the examination qualifying for the degree of the Bachelor of Laws of any of those Universities.

(b) Any person who has passed the examination qualifying for the Degree of Bachelor of Laws of the University of Madras and whose name has appeared in the list of successful candidates published by the University in the Port St. George Gazette.

In the cases coming under clauses (a) and (b) application for admission must be made within one year from the date of obtaining the degree or of the provisional certificate or of the publication of the examination results in the Port St. George Gazette, or, if the applicant has become an apprentice with a view to enrolment as an advocate within two years from the date of obtaining the degree or date of publication of the examination results.

8. The High Court may call for evidence of the respectability of the applicant in any case in which it may be deemed necessary.

Certificates.

9. Upon the applicant being admitted by the High Court, the Registrar of the High Court shall cause his name to be entered in the proper register and shall issue to him a certificate as required.

by section 7 of Act XVIII of 1879, authorizing him to practice up to the end of the calendar year in the courts specified therein:

Provided that—

(a) in no certificate issued to a pleader of the first grade shall courts of more than three adjacent districts be specified; and

(b) in no certificate issued to a pleader of the second grade shall courts of more than one district be specified.

On the renewal of a certificate, the districts and courts mentioned in the certificate for the preceding year shall not be altered except with the special sanction of the High Court or the Registrar thereof.

When applications for addition or substitution of districts in renewed certificates of pleaders are submitted for the sanction of the High Court, the last certificate of the pleaders concerned and also their applications in original should be forwarded to the High Court.

10. The certificate shall bear the number assigned to it in the register and shall be signed by the Registrar and forwarded to the District Judge to be delivered to the applicant.

The certificate shall be taken to authorize enrolment in the courts specified therein. The holder may take it to any court therein mentioned, and may, with the approval of the presiding Judge, be enrolled in such court. The approval should not be withheld unless the Judge is aware of circumstances which in his judgment affect the professional character of the applicant; and in any case in which enrolment is refused the fact and reasons for it should be communicated forthwith to the High Court.

Renewals.

11. Every application for the renewal of a certificate must be made through the Judge presiding over the court in which the pleader ordinarily practices, and unless the High Court or the Registrar thereof otherwise orders shall be made not later than 31st November and shall be forwarded by the District Judge to the Registrar of the High Court not later than the 30th idem. The renewed certificates shall be issued as soon as possible and unless the High Court or the Registrar thereof, otherwise orders, shall be dated 1st January of the year to which they relate.

Printing of renewed certificate.

Renewed certificates will be issued from the High Court in printed forms similar to those used for the original certificates. District Judges shall submit to the High Court without delay the blank stamp papers furnished by applicants for renewal of certificates. The prescribed form will thereupon be printed on the stamp papers which shall be returned to the District Courts for the preparation and issue of certificates to the applicants. In case an applicant submits more than a single stamp paper for renewing his certificate, the paper of the highest value alone must be sent to the High Court with the words "first or second grade pleader" as the case may be, written on the back. Pending the receipt of the renewed certificate, practitioners may continue to practice subject to such precautions as to identification as the District Judge may think fit to prescribe.

12. If any person, having obtained a certificate, shall fail to renew it for a period of two years, he shall not be entitled to have it renewed without the order of the High Court and shall be required to produce satisfactory testimonials to his character during the interval.

When a pleader who has not been suspended from practice applies for the renewal of his certificate after the expiry of the year for which it was last renewed, he should state to his adviser explaining the delay in applying for renewal, that he has not practised in any court since the expiry of the year for which his certificate was last renewed. District Judges in submitting such applications should report whether the applicants during the time they were practising rendered themselves liable to fine or penalty under the Legal Practitioners Act, 1879.

13. If any person, having been admitted as a pleader, accepts any appointment under Government, becomes a student of any school or college for purposes of pursuing his studies, unless into any trade or other business, or accepts employment as a Law Agent

other than a pleader, Mukhtar or Agent certified under Art XVIII of 1879 and three rules, he shall give immediate notice thereof to the High Court, who may thereupon suspend such pleader from practice or pass such orders as the said court may think fit:

(1) Provided that when a pleader is appointed by or under the authority of the High Court to the office of District Munsif, whether temporarily or permanently it shall not be necessary to give the notice prescribed in the first part of this rule; but no pleader, while employed as District Munsif, shall be permitted to practice or do any business as a pleader; and

(2) provided also that pleaders may take part in the management of societies, registered under the Co-operative Societies Act II of 1912, in the areas in which they practice; but no pleader so taking part shall receive any remuneration other than the ordinary profits without the special leave of the High Court.

Suspension and disbarment.

14. Subordinate Judges and District Magistrate are required to bring to the notice of the District Judge every case in which a pleader is guilty of misconduct for which he is liable to be suspended or disbarred under the provisions of the Legal Practitioners' Act.

In every case in which a report is received under section 14 of the Legal Practitioners' Act, or the High Court, after perusal of the records, considers that the proceedings of a Subordinate Court shall be revised under section 15 of the Act, the Registrar shall set the case down for hearing by a Bench of three Judges, and shall give reasonable notice to the pleader and to the person (if any) on whose complaint proceedings were instituted, of the day on which the report or order will be considered, and such pleader and complainant may appear in person or by counsel or valid to show cause against or support the report or order.

Passing a final decision on a charge of professional misconduct against a pleader, the High Court may defer removal of his certificate.

15. Pleader to keep regular accounts of receipts and disbursements of clients' money.—It shall be the duty of every pleader to keep regular accounts of all moneys received and disbursed by him in connection with each suit, appeal or proceeding in which he is engaged as pleader. The failure to keep such accounts will be treated as a "reasonable cause" for suspension of certificate within the meaning of section 13 (f) of the Legal Practitioners' Act, 1879.

16. Pleadings prohibited from acquiring interest in decrees obtained by their clients.—Practitioners of courts subordinate to the High Court are strictly prohibited from purchasing from their clients or from any other person, any interest in any decree passed by the court in which they practice.

17. Any wilful violation of any of above rules shall subject a pleader to suspension or disbarment.

18. The certificate and renewed certificates issued or to be issued to pleaders under the Legal Practitioners' Act, 1879, shall be in the following terms.*
